**Tiebout Centenary**

Charles M. Tiebout, 1924-1968

**North American Regional Science Association**

New Orleans / November 13<sup>th</sup> – 16<sup>th</sup>, 2024

This special session marks the centenary year of Charles M. Tiebout, whose work continues to have an extraordinarily profound influence on regional science and related fields. We invite papers that build on this tradition – especially those that make insightful contributions well beyond what “Charlie” might have anticipated.

If you would like to contribute to this stream of sessions, please submit your abstract online on the NARSC submission portal and then email the title, abstract, PIN, author information and contact details to Eric Heikkila ([heikkila@usc.edu](mailto:heikkila@usc.edu)) as soon as possible.

The deadline for abstract submission is July 1, 2024.

Please forward this announcement to any colleagues who may be interested.

**Organizers:**

Steven Craig, University of Houston

Eric Heikkila, University of Southern California

Geoffrey Hewings, University of Illinois
